SURFACE TRANSPORTATION BOARD

[Docket No. FD 36333]

City of Chicago—Acquisition Exemption—Chicago Terminal Railroad

The City of Chicago (City) has filed a verified notice of exemption under 49 CFR 1150.31 to acquire the right to reactivate rail service from Chicago Terminal Railroad (CTM) on approximately 2.725 miles of rail line, consisting of (1) an approximately 2.625 mile segment from the western right of way line of North Elston Avenue to a terminus near the intersection of Chicago Avenue and Halsted Street in the Goose Island district of Chicago (the Goose Island Segment), and (2) an approximately 0.1 mile segment of the Bloomingdale line between the western right of way line of North Elston Avenue and the Union Pacific North Avenue Yard (the North Elston Segment) (collectively, the Line).

The Board granted an application by Alloy Property Company, LLC (Alloy) for adverse abandonment of the Goose Island Segment in 2018, see Alloy Property Co., LLC—Adverse Aban.—Chi. Terminal R.R. in Chicago, Ill., AB 1258 (STB served Apr. 30, 2018), and authorized abandonment of the North Elston Segment in 2018, see Chi. Terminal R.R.—Abandonment Exemption—in Chicago, Ill., AB 1268X (STB served Sept. 28, 2018). The City states that the Board issued a Certificate of Interim Trail Use (CITU) for the Goose Island Segment and a Notice of Interim Trail Use (NITU) for the North Elston Segment, and the City and CTM have been negotiating a trail use agreement pursuant to the National Trails System Act, 16 U.S.C. 1247(d). The trail use negotiation period in both proceedings has been extended to September 23, 2019. Alloy Property

Co., LLC—Adverse Aban.—Chi. Terminal R.R. in Chicago, Ill., AB 1258 et al. (STB served Apr. 15, 2019).

The City's verified notice describes three agreements, under which the City and CTM will both consummate their trail use agreement regarding the Line and transfer CTM's right to reactivate freight service to the City upon or shortly after the effective date of this verified notice of exemption. First, the City states that the Line will be the subject of a trail use agreement between the City as the trail sponsor and CTM, which is currently the residual common carrier rights holder. Second, the City states that CTM and Alloy have negotiated and are prepared to enter into an Asset Purchase Agreement through which CTM has committed to convey its easement and other property interests in the Line to Alloy. Finally, the City states that it and Alloy anticipate entering into an agreement through which Alloy may direct CTM, per the terms of the Asset Purchase Agreement, to transfer directly to the City certain easement and other property interests in the Line for purposes of carrying out certain trail uses as the trail use sponsor. According to the City, it will thereby acquire both CTM's real property interests and the right to reactive rail service on the Line.

The City certifies that its projected annual revenues as a result of this transaction will not exceed those that would qualify it as a Class III rail carrier. The City further certifies that the proposed transaction does not involve a provision or agreement that would limit future interchange with a third-party connecting carrier.

The transaction may be consummated on or after August 18, 2019, the effective date of the exemption (30 days after the verified notice was filed).

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions to stay must be filed no later than August 9, 2019 (at least seven days before the exemption becomes effective).

All pleadings, referring to Docket No. FD 36333, must be filed with the Surface Transportation Board either via e-filing or in writing addressed to 395 E Street, S.W., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on the City's representative, Charles A. Spitulnik, Kaplan Kirsch & Rockwell LLP, 1634 I (Eye) Street, N.W., Suite 300, Washington, DC 20006.

According to the City, this action is categorically excluded from environmental reporting requirements under 49 CFR 1105.6(c) and from historic preservation reporting requirements under 49 CFR 1105.8(b)(1).
